Old Business:

Item(s) 1: 2025 Christmas Festival Update

Carriage Road. After the review, a motion to approve the resolution was made by Commissioner New and seconded by Commissioner Briley. **Motion carried (4-0)**

Item(s) 3: Boy Scouts Troop 12 & Pack 12

Scoutmaster Boone wanted to thank the Town for all the support they have given to the troop and pack since chartering and beyond. Boone wanted to present the idea of a Family Pack to the Board as it would allow girls in the younger levels to join as a co-ed, and older girls would be in a separate troop from the older boys. She has had a lot of recent interest and does not want to turn them away if possible. If there is not enough to make a full troop (5) for the older girls, they can be a lone scout. The Board wanted to know about funding. Boone stated that the unit does their own fundraising. After discussion, a motion to approve the four-thousand-dollar (\$4,000) funding request and approve the family was made by Commissioner Russ and seconded by Commissioner Briley. **Motion carried (4-0)**

New Business:

Item(s) 1: Public Input

Donnie Russ stated that the Town should consider changing the Veterans Memorial Bricks to just indicate they are Veterans Bricks as many people think they are only for people who have passed.

Item(s) 2: LEO Contract Statistics Report

The Board reviewed the report.

Other: December 5th at 6:30pm the annual fireman's dinner. Commissioner Russ wanted to propose the idea of reinstating anonymous nuisance complaint reporting. Planning/Events Coordinator Carol Cooke shared the final design of the Red Oak T-shirt. She stated that with color it may be too costly and potentially not look as detailed as is shown on paper. After hearing from people in attendance the Board decided that a red and white design would look the best on a t-shirt.

A motion to adjourn was made by Commissioner New and seconded by Commissioner Briley. **Motion carried (4-0).** The meeting was adjourned at 7:16PM.
